Message from the Mayor

After two years of the pandemic, we are now able to resume all of our activities. The summer of 2022 should be pleasant for all and I invite you to take part and enjoy our festivities.

This year, we will carry out several projects including the improvement of our lagoon. A \$3.1 million project that is 80% funded by the Federal Government. Also, I would like to inform you that a section of Girouardville Road will be repaved. In addition, thanks to the Canada Community Revitalization Fund and the Regional Development Corporation, we will repair sidewalks and revitalize our downtown. We also want to improve the Rotary Nature Park and create a youth park next to our skatepark.

It is important to note that on May 5, the Town of Bouctouche invited volunteers from the region to an Appreciation Night. This event allowed us to thank our volunteers for their dedication and their contribution to the community.

In closing, we would like to wish a lot of success to our new Town Manager Serge Arsenault. Welcome to our team Serge!

On behalf of my Council, Achille Bastarache, Mariette Cormier, Jean-Noël LeBlanc and Oscar LeBlanc, I wish you a great summer!

Aldéo Saulnier
Mayor
